### Shtofs - Russian Vodka Cases

Khokhloma wine set "Strawberries"

ZOOM

**Khokhloma wine set "Strawberries"**

This set may be used not only for decorative purposes, but for actual serving of wine or vodka in Russian-style. It includes a stof (Russian-style bottle case) which can carry a bottle of wine or vodka, and three cups.

Well suits to be used out on the nature during picnic or barbeque. Despite its apparent fragility, Khokhloma dishware is very practical.
